Information about the Related Companies being the subject of this Report

Ram Dış Ticaret A.Ş.

Ram Dış Ticaret A.Ş. (Ram) is registered to İstanbul Chamber of Commerce (İTO) with the registration number of 109050 and is engaged in the wholesale trade activities at the address Rüzgarlıbahçe Mahallesi, Cumhuriyet Caddesi, Energy Plaza, Kat:2 Beykoz, İstanbul, Turkey.

Ram Dış Ticaret A.Ş. was established on 16.11.1970 and currently its issued capital is TL 6 million. Field of activities of Ram Dış Ticaret A.Ş. are; all kinds of wholesale product trading, importing, exporting, making studies on domestic and international marketing and giving consultancy services to third parties. It creates additional value to group companies and also their sub-industry companies by acting as purchasing center in domestic iron and steel sector. It

follows closely the markets on the basis of region and country and assess the business opportunities, through its offices located in North Africa, the Turkic Republics and Iraq. Thus, different projects have been carried out, in different sectors, such as; energy, automotive, paper, and defense in recent years.

Al Jasoor Heavy Vehicle Industry LLC

Al Jasoor Heavy Vehicle Industry LLC established as a joint venture company in 2017 by our subsidiary Otokar Land Systems Limited (Otokar LS) and Heavy Vehicles Industries LLC (HVI) subsidiary of Tawazun Operations Company LLC (“Tawazun”) which is located in the United Arab Emirates, in order to cooperate with particular defense industry activities, especially in the United Arab Emirates and countries of the region. Subject to the principles of joint management, Otokar LS has 49% share and HVI has 51% share in Al Jasoor Heavy Vehicle Industry LLC joint venture company.

Information about the conditions of transactions executed with related persons/parties and consistency of such conditions with the prevailing market conditions

Sales of the Company and subsidiaries that were above the 10% threshold between 01.01.2018-31.12.2018 were made to Ram Dış Ticaret A.Ş. and Al Jasoor Heavy Vehicle Industry LLC, explanations about these transactions are given in the article 27 of Independent Auditor Report dated 31 December 2018.

Sales made to Ram Dış Ticaret A.Ş. is basically consisted of the export registered sales made to non-related third parties. The amount of the invoices, that are issued from Otokar to Ram and also from Ram to the third party (it buys the same products), remain the same. Ram Dış Ticaret A.Ş. only issues commission invoice for the activities it carries out.

In general, all negotiations with third parties, any contract, default risks and any potential risk associated with inventory are carried out, managed and followed by Otokar. Therefore, all risk are borne by Otokar, and Ram assists and manages operative and paperwork and in return of these services, it issues commission invoice. Ram issues invoices related to costs such as bank letter of guarantee commissions, freight expenses incurred in the name of Otokar during these activities. In addition, in the markets where the transaction is carried out, local regulations and market research services are taken from Ram.

As can be seen aforesaid description, when evaluating the essence of the process, rather than the volume of the export registered sales, the amount of commissions paid for the related transaction should be taken into account when determining the 10% threshold considering the commercial relations between Ram Dış Ticaret A.Ş. and Otokar. However, as issued invoices covers the entire amount of related transaction, the all sales are seen as related party transactions and therefore exceed 10% limit.

Within 2018, amount of TL 407,999 thousand sales transaction has been realized between the Company and related Ram Dış Ticaret A.Ş. and in the accounting period of 01.01.2018-31.12.2018 24% of the proceeds have been realized from the sales, the whole transactions are consisted of the export registered sales made to non-related third parties with exactly the same conditions. As a result of these sales in 2018, the total amount of commissions and acquired services paid to Ram is TL 39,615 thousand. The amount of commission accrued due to export registered sales, which is the principal counterpart of the transaction between the parties, is well

below the limit determined in the communiqué and determined in accordance with the market conditions.

In 2017, as a result of the work carried out by Otokar and Tawazun, Al Jasoor awarded to supply 8x8 armored vehicles for the use of UAE Armed Forces and signed contract for a total of USD 661 million. Revenues that Otokar will directly generate within the scope of project will be consist of vehicles, CKD (Completely Knocked Down) kit sales, technical consultancy and similar services revenue and dividends from Al Jasoor.

Within the scope of the agreement, TL172.279 thousand sales transaction, which corresponds to 10% of the revenue generated in the period of 01.01.2018-31.12.2018, was realized between Al Jasoor Heavy Vehicle Industry LLC and our subsidiary Otokar LS, in 2018.

The entire sales transaction consisted of exports of armored vehicles under the contract between Otokar LS and Al Jasoor, and pricing was determined by negotiations between the parties, taking into account the characteristics, costs, final sale price and general market conditions of these vehicles.

Conclusion

Pursuant to Capital Market Board's Communiqué, article 10 of Serial: II, No:17.1; due to the fact that the amount of the Company's subsidiaries' common and ongoing product transactions with Ram Dış Ticaret A.Ş. and Al Jasoor Heavy Vehicle Industry LLC within 2019 accounting period is foreseen to be exceed 10% of the amount of revenue based on 2018 financial reports which was the latest and disclosed to the public, and the conditions of the transactions executing with Ram Dış Ticaret A.Ş. and Al Jasoor Heavy Vehicle Industry LLC are foreseen to be continued with the same conditions within 2019 , pricing methods and reasons for choosing such methods are explained in this report and information regarding the compliance of the transaction with market conditions is provided.
